

## THE KENNARD BOUTIQUE GUESTHOUSE DOG POLICY

At The Kennard Boutique Guesthouse, we are happy to welcome well behaved friendly pups. We do however ask that owners follow the following guidelines when bringing their dogs along to stay with them, to ensure the comfort for yourself, your furry friend, and our fellow guests.

- A £15 per dog per night fee is charged for your dog to stay at The Kennard. If your dog has been a little naughty and the rooms require maintenance or cleaning from this, there will be a surcharge.
- Housekeeping must be allowed to clean the room daily.
- We allow up to one dog per room. However, not all rooms are dog-friendly, so please call us prior to your stay to check availability.
- As our Dining Room is enclosed, your pet will not be permitted in any of the public areas.
- We are happy for your dog to be left unattended in their rooms, if you are confident that they won't become stressed in their new environment.
- We don't allow dogs on our furniture or beds so please remember to pack a suitable bedding area for your furry friend.
- Please remember to clean up after your pet.
- Please be mindful of other guests as some guests may be wary of dogs.
